

## República 136 (Porto)

Porto > Cedofeita, Santo Ildefonso, Sé, Miragaia, São Nicolau e Vitória

### Development description

República 136 defines an urban and exclusive lifestyle, for those who appreciate the rhythm of the city of Porto and want to be close to everything.

A rehabilitation project that brings back to the present the identity and architectural expression of an emblematic building, República 136 is a building of only 4 floors, consisting of 7 two bedroom apartments and a shop.

Located in Praça da República, the building and each of the apartments enjoy spectacular views over the Square, always available at every sunset.

República 136 combines the history of the city of Porto with an urban lifestyle, convenience ...
